Synopsis

Brain Boy was a short-lived superhero comic, created by Herb Castle and artist Gil Kane, published by Dell Comics 1962-63. Brain Boy was Matt Price. When his mother was still pregnant with him, a car accident with an electrical tower killed his father and gave Matt mental powers. These powers included telepathy, levitation, and the ability to control minds. After graduating from high school, Matt is recruited by another telepath to work for a secret government agency fighting against communists and other "enemies of freedom" using their own telepathic agents against the West. "Brain Boy" was just Matt's nickname, and he never wore a costume. The first issue was Four Color Comics #1330 in 1962, followed by Brain Boy #2. The last issue was #6 in 1963. This book contains all six issues. This is definitely an adult comic with, unusual for the 1960s and the Comics Code Authority, lots of mayhem and death. THESE COMIC BOOKS DO NOT HAVE THE CCA STAMP OF APPROVAL. ENJOY!
