Customer Reviews

Get ready for true spiritual insight of the unseen world that comes to seek, kill, and destroy people! I have been a student of the Bible for 43 years and have learned more about how our enemy works to destroy and apprehend people through this book, than all years of study. Just a note; get a notebook and pen to write down your own needs and/or others you intend on praying for. This book brings definitions to the elements of bondages few of us are taught or learn on our own. The first book I bought of Pastor Eckhardt's was, "Prayers That Rout Demons," as I desperately prayed for God's help for my son, who became a heroine addict. A miraculous deliverance came in a SHORT

time, so I bought "Deliverance and Spiritual Warfare Manual as a follow-up; I am so very glad I did! His books not only guide you into understanding and insight of the various darkness of demonic holds, but guides the reader, themselves, into unknown bondages they may have also. I love the 4 books of Pastor Eckhardt I have purchased so far and they have become a lamp for my spirit, a guide to my prayer life and hold them as close to my heart and I do the Word of God.

It is my honest and humble opinion, that this is the manual of manuals. It is full of incredible insight on how the enemy legally operates against you and your family members using generational curses and curses that you speak on your own. It has Biblical sound advice and has the strategies that you need to counter the enemy's attacks and be free from his stronghold. I totally recommend this book.

I liked John Eckhardt's "Prayers that Route Demons and Break Curses" so I thought I would buy this book. In one respect this book is better. It gets into more detailed specifics on a number of topics. The author hit on an important point on page 41- "you are what you think." A simple, concise statement but true. Thoughts often lead to actions whether good or bad. Some of the topics I really liked in this book were: * House cleaning. * The Law of first mention in Scripture study. * Mr. Eckhardt uses multiple version of Scripture. * Explains generational or ancestral curses. * Control or possessiveness spirit. (Something I am familiar with in the past.) * The Glossary of Terms at the end of the book was educational. This book was an easy read. The author gets his points across clearly and I found the book to be informative without any sensationalism that seems to be the norm for many authors writing about deliverance.

This is a must have for those who engage in spiritual warfare and those who seek deliverance over the enemy. This manual teaches everything you need to know to be an efficient and effective warrior for God. Thanks Apostle Eckhart for this awesome gift.

This book gave me so much revelation. It has inspired and encouraged me to seek my personal deliverance from past hurts. I highly recommend this book for those who are seeking material to pair with the Word of God in their deliverance. Awesome read!!

This anointed Book receives 5 stars! Only true believers should read this manual; and it will definitely improve your life. Don't lend it out; it's too important everyone needs to purchase a copy for himself or herself. You will be royally blessed by this should be #1 seller!

An exceptional and eye opening read. I really appreciate how he provides scripture references to solidify his points. This is a great resource to help me keep my prayers focused on the things of God and to help keep my walk straight.

do you want the most out of your walk with the Lord??? then this guy will help you get it, but its up to you to apply what he teaches especially on fasting its so important to break junk off of our lives and people God wants you to love too!!!!
