# Learning Web Design W/Adobe CS5

## Synopsis

Hands-on exercises and applications provide students with a practical method to learning software skills as well as web design concepts. Exercises introduce basic skills then build to integrate Dreamweaver, Flash and Fireworks together. The full color illustrations visually support the concepts taught. The text is spiral bound for extra ease-of-use.

## Customer Reviews

I bought this textbook for school and it was really helpful. I think anyone who buys this book will appreciate the simplicity of the layout. I also loved the price. I shopped around before I purchased it from and as usual they had the best price.
