# Special Report # 31: How To Make \$50,000 A Year On & EBay

## Synopsis

Before I started writing books and producing a television show I sat at home making \$50,000 a year on the internet. In this fast up to date guide, I explain to you how I did it and how you, with no cash, can do the same using .com, EBay, Facebook, Craigslist in your spare time. Also I include as an added resource lists of instructional materials and websites that taught me how to increase my business skills and make even more money, all in my pajamas from the comfort of home with just a laptop and a printer!
