Mi Bacinica Y Yo (para El) (Spanish Edition)

Synopsis

The classic toilet training book, for Spanish-speaking boys. Since the Once Upon a Potty (girl) and (boy) books were first published in 1975, America's Latino population has boomed to 52 million. One in six Americans is Hispanic, as are 25% of all American children under the age of 5. For generations these books have helped parents and toddlers work through the trauma of training, and all parents face that challenge at some point. Bookstores and libraries with Spanish-speaking customers and patrons must have appropriate collections. Flawlessly translated, *Mi bacinica y yo para ella* and *Mi bacinica y yo para Él* are an essential purchase.

Book Information

Hardcover: 44 pages

Publisher: Firefly Books (January 9, 2013)

Language: Spanish

ISBN-10: 1770854029

ISBN-13: 978-1770854024

Product Dimensions: 7.2 x 0.4 x 7.2 inches

Shipping Weight: 8 ounces (View shipping rates and policies)

Average Customer Review: 4.2 out of 5 stars Â See all reviews Â (12 customer reviews)

Grade Level: Preschool and up

Customer Reviews

Mi hijo y yo estamos trabajando en que el use el bano, pero como ya saben no es facil. Emos leido este libro como mil veces, y cada vez mi hijo se asocia con el muchachito en las paginas. Poco a poco lo estamos logrando, es buena lectura. Me encanta.

This is a great book for the little ones to understand such a normal part of life. I really enjoy reading this book to my son. Este libro es my agradable para los pequenos. Me encanta leerlo a mi nino. A must have for potty training and to teach kids a little bit of spanish. Love the ilustrations.

The word for poop in Spanish is said in many ways in different countries. While I do not object to the word poop or talking about it, the word they use is akin to the S word in English where I am from. I don't want my two year old using this word with his grandparents. Also the potty illustration is of a kind of potty that looks more like a pitcher. Too old fashioned for my two year old to relate to his potty. Does not suit our needs

well the only reason I am rating this in an ok category is because I order the book in Spanish and I ended up getting it in English. Nothing bad, but I wanted to be able to tell my kid the story in his language. Its a little bit difficult to translate it with so specific pictures involved in the story.

this is a very graphic book! we teach our daughter all the body parts as they are call... my daughter is 18 months old and potty train she reads it on the toilet at least 10 times a day

The book is a little more graphic than expected, but hey, my 2 year old daughter LOVES.IT. I change the words when I'm reading it and call things the way we prefer.
