National Park Quarter P&d&s Mint Album Vol I

Synopsis

National Park Quarters Album P, D, & S Mints, Volume 1, 2010 2015, 6 pages, 96 openings. The National Park Quarters Coin Act of 2008 requires quarters, beginning in 2010, to have designs on the reverse depicting one national site in each state, the District of Columbia, and the territories of the United States. Fifty-six (56) different designs will complete the program from 2010 through 2021. Whitman Albums are built from the safest archival safe materials known.

Customer Reviews

The layout is in four coin rows with four rows on each page in spite of the fact that the coins are minted in three to a type. This means that the types are not placed together and sometimes span pages. There is a misprint on page two listing 2011 S Chickasaw as 2012. There are 5 blank openings at the end. After all the years that Whitman has made coin albums, I expected a higher quality design and certainly no printing errors.

This is the only album at time of purchase that works for new unc S qs. For first couple of years used proof.

when I first got this coin book . i put all of the coins that i have in it. i sure like it is better than the other ones i saw . so if you are looking for a good coin book this would be it.

I liked the clear plastic sleeves that slid over the quarters and kept more fingerprints from going on to them
