Customer Reviews

Purchased this book as an alternative "guide" to Non-Sport Update magazine. Was expecting a comprehensive, up-to-date, price listing. Boy was I disappointed. If you are looking for a LISTING of basic set cards - this is your guide. But if you want pricing on autographs or inserts - beware - most of what you will find is "blank" sections with no information on prices. And I am not talking about new stuff - but virtually everything. Bottom line - don't waste your money.
