# Happy New Year Postcard Book

## Synopsis

In the late 19th and early 20th century, postcard publishing flourished. Many millions of postcards were sent each year, and buyers could choose among a seemingly limitless variety of designs. Holidays were of course a favorite theme, resulting in some wonderful images, and we think many of them are still worth remembering and sending to friends, or simply treasured for their beauty. New Year's Eve presented a difficult challenge to artists, as evidenced by the wide variety of images we found in our large collection of vintage New Year's Eve postcards, some seemingly having little to do with New Year's Eve. The selection of thirty images contained in Happy New Year Postcard Book represents the best of postcard's golden era: champagne, clocks, brooms sweeping away the old year, bells ringing, celebration, and of course an Father Time receding and a baby representing the New Year arriving.

## Customer Reviews

A wonderful collection of postcards!!! I bought this book for my "Postcrossing Addiction" and loved it! The recipients of the postcards really enjoyed the images. Made of sturdy card stock with lots of room for writing your message AND the address of where it's going to! Cards are easily detachable! A great value for the price!

These are perfect to send at New Year's time to the people who sent you Xmas cards when you weren't expecting it.

Affordably priced collection of postcards. It can be difficult to remove the postcard from the book; you have to be diligent so as to not rip the card.

Nice postcards that I got for postcrossing.
