## Customer Reviews

Love the pattern, but a little complicated for some. If you take your time and figure out the instructions, it's beautiful. I do prefer working with a larger hook and skein weight. Don't think I'll be making another one. Berta Gee

My friend bought this pattern for an Etsy request. It came out just as described and the recipient was more than pleased. VERY nice!

I am hoping to find someone to help me understand the directions since I am new to crocheting, but I think I will love it once I understand the terminology.
