Six Battles Every Man Must Win: . . . And The Ancient Secrets You'll Need To Succeed

Synopsis

The story of David's mighty men (primarily found in 2 Samuel 23) drives this challenging and encouraging book for Christian men. The mighty men weren't drafted into David's army because of their impressive resumes. They were broken men who, given an opportunity to achieve greatness, responded like champions. In *Six Battles Every Man Must Win*, popular author and speaker Bill Perkins uses the story to illustrate the six battles David's men fought, and men today must win, to become powerful and effective warriors in God's kingdom.

Customer Reviews

There are few things I like less than Christian books and programs that offer easy answers, for nowhere does God promise that living for Him will be easy. It seems, though, that the Christian world just laps these books up. Those dealing with Christian living seem to be particularly prone to "easy-answerism." Fortunately bestselling author Bill Perkins avoids this concern in his new book entitled *Six Battles Every Man Must Win*. Based on the Biblical account of King David's mighty men, this book seeks to address the cultural bullies that continually attempt to steal men's hearts. Perkins offers insight on how men can set their sights on God's will for their lives and escape the destructive behavior that is keeping them from being warriors for Him. "This book was written for men who...are tired of living like spiritual weaklings. It's for men who believe they were created to be warriors but aren't sure how to fight or what they should be fighting for. It's for men who want to lock on their purpose for living. And it's for men who want to learn ancient secrets from some of the greatest warriors of the Bible: David's special fighting force, the mighty men." For many years our society has told men to cultivate their gentler side and to suppress masculine distinctives. After many years this

influence has begun to shape men's identities. Satan builds on this doubt, this disillusion, doing all he can to convince men that they are not warriors at all and that they can play no part in the spiritual battle that rages in this world. Six Battles Every Man Must Win serves as a wake-up call to men who cannot or will not see this conflict."We must wake up. We can no longer deny the reality of the angelic conflict in which we're combatants.
