Customer Reviews

I am new to the collecting world of boyds bears. I saw this book at a store that mainly sold boyds bears. This book was very helpful in showing me what bear was of value etc. They have a handy reference guide in the back of the book that helps you find the bear you are looking for by name. Its great!

This guide is the best as far as I'm concerned I depend on this for my collection and my bids for auctions. The pictures are very lifelike, this guide is very informational. This guide is as close to complete as I've seen. I highly recommend this book to anyone interested in collecting Boyd's Bears.

Purchased this book so that I could sell off my abundance of Boyds Collectible plush. Was a valuable tool in establishing my price for each character.
