UnClobber

Synopsis

Churches in America are experiencing an unprecedented fracturing due to their belief and attitude toward the LGBT community. Armed with only six passages in the Bible often known as the clobber passages the conservative Christian position has been one that stands against the full inclusion of our LGBT brothers and sisters. UnClobber reexamines each of those frequently quoted passages of Scripture, alternating with author Colby Martins own story of being fired from an evangelical megachurch when they discovered his stance on sexuality. UnClobber reexamines what the Bible says (and does not say) about homosexuality in such a way that breathes fresh life into outdated and inaccurate assumptions and interpretations.
