Customer Reviews

Finally had someone install it for me. One of my HDMI was not working. He bypassed that and it is now hooked up. Just got it done yesterday. I have already all about it so I will soon have the time to enjoy the benefits.

Great Guide, If you need a thorough guide how to start your Fire Stick then this is must read guide. Give essential information about Fire Stick from A-Z. Really helped me getting through a lot of difficult stuff. Comprehensive guide explaining complicated terms in most simple language. Would Recommend every Fire Stick user.

This book is based on the fire stick. This may helps to the user of the fire stick to find out its essential apps tips and tricks for the better use. I love this book. The must read book.

I was a bit disappointed in the brevity of this book. It's very short and sweet....I can't say that I learned much from this book but for someone new to Fire tv I think it could be very useful.
