TOP 27 Jewish Slow Cooker Recipes - Kosher Cookbook For Holiday & Shabbat

Synopsis

The smell of Shabbat cooking as you walk through the door was always the peak of my week. Moving out of my parents house, the smell was a major factor in the "should I visit mom and dad next Shabbat" decision. Lacking the formal "training", I had to start developing my own cooking qualities. "TOP27 Jewish Slow Cooker Recipes" is the product of my efforts. A simple, to the point book, binding my family's top Shabbat and holidays recipes. Slow cookers captures the essence of Jewish cooking. For those hearty meals that grace the dinner table at large family gatherings and for those special days when Halakha restrains everyone from going to the kitchen and lighting the stove, the slow cooker toils to produce hot, home cooked and delicious feasts. You will find in this book 27 recipes to some of the most commonly eaten and traditional Jewish dishes. All these recipes are kosher and specifically adapted for the slow cooker. However, you must remember that the different variety, make and models of the slow cooker available in the market might require different cooking time. Therefore it is safe to keep the dish in the slow cooker for a little less than the time mentioned and check in between.

Mostly soups. I'm not sure I will use any of the recipes. Included dairy as well as meat recipes.
Would need two crock pots for this.
