Customer Reviews

Nothing new to me but perhaps to others. It does carry on advice to new or older players on how your mind set should be regardless of the number of cards on the field. A duel can go either way with the right cards. A bit short but not a bad read.

I want to be a yugioh champion when I get older and this advice will help me a lot thank you for writing this book

If you love card games like Magic The gathering this will blow your mind "• • • ^• • Also see my VINE too bye

It was a good book to readBut they need to add of to beat blue eye white dragon in battle.
