Customer Reviews

I read this in one sitting. I was impressed with the authors raw, honest, and real testimony of his drug world encounters. It brings hope and encouragement to others that may be caught in the evil grip of drugs. I highly recommend this book!

This book is a very POWERFUL description of a very "COLDBLOODED LIFESTYLE". THIS POWERFUL BOOK very graphically explains in a mannerism so that ALL UNDERSTAND, his life in and on the street, it is powerful, riveting but most important it is factual accounting of his life. It is the most outstanding book I have read in a long time, I have made a mental note to keep James Soils name on hand and seriously hope to see future writings from him. Congrat.. on the first...

The most honest and raw telling of a life story I've ever read. James bears his heart and soul with courage and grace. This is the real deal.

This book is real and honest, brings hope and encouragement for today's ever growing drug crisis. Excellent! I highly recommend this, it's well written.

Appreciated the honesty and genuine story of his life, both joy and pride as well as shame and hurt. Well written. Thank you for sharing your story.
