Pope Francis: Living Lent With Mercy: Encouragement And Daily Prayers

Synopsis

• The season of Lent during this Jubilee Year should also be lived more intensely as a privileged moment to celebrate and experience God's mercy. • Pope Francis Pope Francis has made relating Jesus' teachings on mercy one of his top priorities. He has proclaimed this Jubilee Year of Mercy, praying that the Church, with renewed enthusiasm, may bring good news to the poor, proclaim liberty to captives and the oppressed, and restore sight to the blind. • Combining the wisdom and humility of Pope Francis with prayers from Fr. Warren J. Savage, *Living Lent With Mercy* will touch your heart, prompt deep reflection and spark a desire to grow closer to the Lord, one day at a time.

Customer Reviews

The Holy Father's words were brief and not as involved as when he gives his weekly audiences, but that made his thoughts much simpler to meditate on. Each day also included a Bible reading to look up, which generally was from the Gospel for that day's Mass. I liked that especially since I watch Mass every day on EWTN and always look up the daily Mass readings on the Bishop's website so I

can follow along like I do when I am in church. I try to order new Kindle Lenten booklets each year that are specific to that year since I keep three other Lenten booklets on my Kindle that can be used every year and they supplement the new ones. This is especially wonderful during my Adoration hours where it is quiet and peaceful. I had no problem finding the Bible passages for each day since I have several Bibles on my Kindle too and kept one on the carousel right next to this booklet so I could go directly to the specified book in the Bible, the chapter and the verse very easily. I look forward to buying next year's Lenten meditations from the Holy Father since I really love Lent even more than Christmas.

Brief, beautiful, and simple... it directs you too to excellent bible reading that support the days message. Nice daily add to Lenten season! I love that my Kindle comes up with these things for us. THANK YOU!!

The choice of quotes from Pope Francis is helpful, but I found the author's daily prayers/meditations not very helpful. They did not seem imbued with the sense of hopeful mercy found in the words of Pope Francis.

The meditations are fine but one has to have a Bible open at the same time to flip back and forth.

Beautiful combination of quotes from Pope Francis and prayers from Fr. Warren Savage for daily Lenten reflections.

I wish I had found this little book of prayers, meditations and reading recommendations earlier in Lent. All were meaningful and thought provoking. Meditations generally focussed on brief words from Pope Francis and included scripture reading recommendations. I'll be happy to purchase other such books by Father Warren Savage.

So frequently the words of the prayers seemed to identify and articulate exactly what is the condition of my heart; and the prayer I needed to pray because of that condition. Well worth the small price of buying the ebook.

Pope Francis named 2016 the year of Mercy -- and this lenten devotional includes a many of this thoughts and homilies, quotes and writings on Lent and the kindness we can give to one

another. Highly recommend this book.
