A Doctor's Tools (Community Helpers And Their Tools)

Synopsis

The doctor is in! Readers will experience the daily tasks and challenges of a doctor, looking through the lens of the tools they use. This book introduces readers to important medical tools from stethoscopes to thermometers to blood pressure cuffs. Each tool and its function are described in detail with an accompanying photograph. The text is straightforward and full of fun facts to help deepen the readers understanding of a doctors career. Each tool is shown again at the end of the book in a graphic organizer that helps embed the material in the readers mind and make for a well-rounded reading experience.
